Title: "The Scavenger Hunt Handbook: Challenging and Fun-filled Activity Ideas for Adults"
Author: Dave Blum
Publication Date: May 2015
Publisher: Wiley
Link:
https://www.wiley.com/en-us/The+Scavenger+Hunt+Handbook%3A+Challenging+and+Fun+filled+Activity+Ideas+for+Adults-p-9781118889638

Dave Blum's book "The Scavenger Hunt Handbook: Challenging and Fun-filled Activity Ideas for Adults" offers comprehensive guidance on organizing scavenger hunts. The book provides various ideas to make scavenger hunts more engaging and exciting. It explains how to use technology and media to create successful scavenger hunts. The book also provides tips for creating custom clues and riddles. As the project we are working on involves a scavenger hunt, this book could be a useful resource in providing guidance on designing engaging and challenging scavenger hunts.

Title: "Using QR Codes for Education"
Author: Fong-Ling Fu, Marcello Passarelli, Kinshuk
Publication Date: August 2013
Publisher: Springer
Link: https://link.springer.com/book/10.1007/978-1-4614-8339-4

"Using QR Codes for Education" is a book by Fong-Ling Fu, Marcello Passarelli, and Kinshuk that explores how QR codes can be used as an educational tool. The book examines how QR codes can be used to enhance learning experiences and provides examples of how QR codes have been used in various educational contexts. The project we are working on includes using QR codes to provide historical context to landmarks. This book could be a useful resource in providing guidance on designing and implementing educational experiences using QR codes.
